

These are the Bible Studies available in association with reviveINDIANA :: Fort Wayne Indiana

When you have contacted the person you are seeking to disciple and built a relationship with that person, please find a Bible Study that will fit your location and schedule. You and the person you are discipling should go to that Bible Study together.

**Contact the Bible Study leader to reserve your spot in their group.** When you go to your first meeting, your Bible Study leader will have a book for you and one for the person you are discipling. You can answer questions together, take notes, and learn more about the Bible and what it means to follow Christ.

Thank you for being committed to being a disciple maker.
